

SOUTH-BROADLAND 20th Anniversary T-BALL LEAGUE

March 9, 2009

Dear T-Ball Parents,

It's now time to begin thinking about T-Ball for your children again this spring. The T-Ball Committee at South-Broadland Presbyterian Church is in full swing working on the 2009 season. We want to especially thank all our 2008 T-Ball families for their support and hard work on this project. This year will mark the 20th Anniversary of this outreach program and we will be having a GRAND opening day ceremony with food, fun, and special guest.

The T-Ball Committee feels strongly about presenting a non-competitive league in which children learn the rules of T-Ball, make new friends, and have fun. For these reasons, we do not keep score during the games. There are no winners or losers, because we believe all our players are winners.

The registration fee includes a team shirt and cap, a trophy, and an awards ceremony at the end of the season. The date and times for pictures will be announced at a later date. It is important for all team members to be present for the team picture. You will also receive the church newsletter during the season. Be sure to check for any T-Ball news.

We welcome parents who would like to participate in the program. There are many ways to help without a large commitment of time. Several options are listed on the registration form.

It may be several weeks before you hear from a coach. This is because we wait until the league is full before making up the teams. This takes longer, but assures better balance between the teams. If you have not heard from a coach by May 15, you may call 816-523-7326. Games begin the week of June 5 and end with the awards ceremony on Sunday, July 18th.

We sincerely hope to see you this spring on the T-Ball field!!!

The South-Broadland T-Ball Committee
